# Replace CCS relay board

- 3798100034-S
- 3798100036-S
## WARNING!

To avoid danger of electrical shock or injury, turn off power at the panel board or load center before working on the equipment or removing any component. Do not remove circuit protective devices or any other component until the power is turned off.

Disconnect electrical power to the DC Wallbox before any maintenance work to ensure that it is separated from the supply of AC mains. Failure to do so may cause physical injury or damage to the electrical system and charging unit.
# Open front cover

- Release two screws on top (T15)

- Release the latches to open front cover.
- Put down front cover gently.

**Step1:**

**Step2:**

**Step3:**
